All students in Year 9 - 13 are expected to bring a device to school with them to use as a learning tool.

Features that we feel are essential are:

- Minimum screen size of 9"
- Wireless internet capability
- Battery life which will last a typical school day (at least 6 hours)

Others features to consider:

- Lightweight but robust enough to handle daily use
- Suitable, durable bag / cover for protection
- Suitable for use online and offline
- Security software

For all types of devices we recommend that:

- They be less than 4 years old
- They have AntiVirus software if appropriate
- Students make regular back-ups of critical work on external storage (eg. external hard drive or USB drive)

For more information or to be considered for a school loan device, please contact Louise Buckley (lbuckley@katikaticollege.school.nz)

Students **MUST** also have the following in a **pencil case** in their school bag every day:

- Earphones with a small jack
- Ruler (15cm & 30cm)
- Biro pens (blue & red)
- Gluestick
- Pencils (4B & HB)
- Scissors
- Coloured Pencils
- Highlighter pens
