All students in Year 9 - 13 are expected to bring a device to school with them to use as a learning tool.

Features that we feel are essential are:

- Minimum screen size of 9"
- Wireless internet capability
- Battery life which will last a typical school day (at least 6 hours)

Others features to consider:

- Lightweight but robust enough to handle daily use
- Suitable, durable bag / cover for protection
- Suitable for use online and offline

Security software

For all types of devices we recommend that:

- They be less than 4 years old
- They have AntiVirus software if appropriate
- Students make regular back-ups of critical work on external storage (e.g. external hard drive or USB drive)

For more information or to be considered for a school loan device please contact Mrs Louise Buckley (lbuckley@katikaticollege.school.nz)

Year 9 Dean for 2021:

Information regarding the Stileapp subscription:

From the start of 2017, students have been using Stileapp in their science classes. Stile is an on-line platform built for e-learning. Stile is used widely in Australasia in both primary and secondary schools, in all subjects, from maths to English and PE.

Stile permits learning through a social, digital and media rich medium, combining textbook, workbook and collaboration tools into one modern on-line space, accessible by students and teachers anywhere, at any time and on any device

Its ease of use and multimodal nature (ability to mix and match various media and question types) makes it easy for teachers to create engaging lessons and also give students real-time feedback to help move their learning forward.

We encourage you to find out more about Stile by visiting
