

Katikati College: Year 10 Stationery Requirement for 2022

Student name: _____ **Form class:** _____

Below are the stationery requirements for 2022. Some of your child's stationery has to be purchased from the school, however most can be purchased from stationery outlets, for example Paper Plus and The Warehouse.

It is really important that your child has the correct stationery to start the year. If there are any concerns with this please contact your child's Dean (details can be found on the other side of this sheet).

All students in Year 9 - 13 are expected to bring a device to school with them to use as a learning tool.

Features that we feel are essential are:

- Minimum screen size of 9"
- Wireless internet capability
- Battery life which will last a typical school day (at least 6 hours)

Others features to consider:

- Lightweight but robust enough to handle daily use
- Suitable, durable bag / cover for protection
- Suitable for use online and offline

Security software

For all types of devices we recommend that:

- They be less than 4 years old
- They have AntiVirus software if appropriate
- Students make regular back-ups of critical work on external storage (e.g. external hard drive or USB drive)

Students **MUST** also have the following in a **pencil case** in their school bag every day:

- Casio scientific calculator
- Earphones with a small jack
- Ruler (15cm & 30cm)
- Biro pens (blue & red)
- Gluestick
- Pencils (4B & HB)
- Scissors
- Coloured Pencils
- Highlighter pens
- USB Flash drive – 16 GB minimum

Information regarding the Stileapp subscription:

From the start of 2017, students have been using Stileapp in their science classes as well as many other subjects. Stile is an on-line platform built for e-learning. Stile is used widely in Australasia in both primary and secondary schools, in all subjects, from maths to English and PE.

Stile permits learning through a social, digital and media rich medium, combining textbook, workbook and collaboration tools into one modern on-line space, accessible by students and teachers anywhere, at any time and on any device. Its ease of use and multimodal nature (ability to mix and match various media and question types) makes it easy for teachers to create engaging lessons and also give students real-time feedback to help move their learning forward. As a parent you will be able to look at your student's progress and teachers' feedback to your child.

We encourage you to find out more about Stile by visiting
